Seneca High School

Louisville, Kentucky

Volume XIII

Everyone selects his individual pathway and leaves a trail behind him as ne travels the road of life. At every entranceway he must make a decision. Beyond each door is found a variety of happenings and a choice of roles. Perhaps even adulation, applause, and praise await the talented, the inquisitive, and the determined. As you enter each door, remember

"Today is the first day of the rest of your life."

SENECA SALUTES

... A gentleman who is dedicated to assuring the scholastic achievement of his students; one who devotes time to the individual and his understanding of the relevance of math to the rest of his life; one who spends his extra-curricular time in sponsoring Mu Alpha Theta and the Math Club; our good friend and teacher, Mr. Mays. To salute you is a privilege.

... The President of J.C.L. and the National secretary of the same organization; Eleanor Flaniken is secretary of Seneca's National Honor Society; Assistant Editor of ARROW '71; a Beta Club, Quill and Scroll, Student Council member. Ranking academically tops in her class and high in the hearts of her classmates, Eleanor is an outstanding tennis team member and a talented dancer, deserving a big salute.

... "We must make the public more aware of our needs" ... indicates Mrs. Steiner's desire to educate her Seneca students in world problems; Patience and good humor have made this lady a popular teacher during her fourteen years at Seneca. Mrs. Steiner sponsors the Human Relations Club, is chairman of the J.C.T.A. Political Education Committee, and is a newly elected member of the K.E.A. Board of Directors. To Mrs. Steiner we offer a long over-due salute.

As a freshman Tom Warren gave a prize winning speech on "The Golden Opportunities for the Youth of Today." As a senior we recognize Tom for making good use of both his academic and physical prowess. As a N.H.S. member and a tackle on Seneca's football squad, he has rated applause. He is genial, possessing personality plus! Join in a salute to Tom!

Dear Young People:

ARROW '71 is another testimony that the American way can, has, and will work. Throughout the pages of this Yearbook is displayed the fact that the roots of our institutions-religious, educational, political, economic, and judicial, are deep and strong.

I hope you feel you have benefitted from efforts of your parents, teachers, and others, who have established facilities and provided instruction for you and your classmates, to create Seneca.

We have passed through another sensitive year at Seneca. I know of no greater challenge than that of learning to live together in this world. With the sure, calm, resolve of past and present Seneca students, we have emerged stronger and with greater faith and understanding.

Congratulations to the many students and teachers who, through school class-work and extra-curricular activities, have provided worthwhile material for publication. Congratulations to the staff and sponsor of ARROW '71 who for several months have been gathering and preparing for publication this outstanding Yearbook.

I hope your ARROW '71 will remind you of some hard work and some happy times during your years at Seneca.

Respectfully,

W. O. Wilson

Administration

An important group of three men, the Seneca administrators, leads Seneca High School through a smooth and rewarding school year. This team must see that Seneca operates a modern and relevant educational program, under the best physical conditions possible.

Leading the triad is our principal, Mr. William Wilson. Mr. Wilson is a friendly man who is interested in every Redskin. His open-door policy makes his position a little less formal, and gives him more contacts with the students. He is always willing to listen to your criticism or comments on situations at Seneca.

Although Mr. Wilson is the captain, he cannot function without the rest of the team. Mr. Dennis Robertson and Mr. William Craigmyle, Assistant Principals, play a vital part in running Seneca. They help Mr. Wilson with the many problems that arise in a school as large as ours. We can never forget Mr. Robertson's timely announcements asking that cars be moved.

We Redskins indeed feel fortunate to have such support going for us.

The big chiefs hold a powwow

Mr. Palmer and Mrs. Ramsey

Counselors

Throughout their high school years, Seneca students have several persons to make the journey a little easier. This is the job of the counselors, to aid the student in any way with problems he might face, and to assist each Redskin in choosing a curriculum for the following year.

Helping new Redskins face the changes from junior high is the Dean of Freshman Girls and Boys, Miss Ginny Polsgrove.

Miss Susan Stephens, Dean of Sophomore and Junior Girls, and Mr. Tom Ash, Dean of Sophomore and Junior Boys, counsel students and direct them toward their Senior year. Miss Stephens holds a B.S. degree from Eastern Kentucky University, and a Master's degree from the University of Kentucky. Mr. Ash received his B.S. and M.E. degrees from the University of Louisville.

Mrs. Louise Ramsey, Dean of Senior Girls and Dean of the Advanced Program, and Mr. Robert Palmer, Dean of Senior Boys, help students prepare to enter college or begin a career. Mrs. Ramsey holds an A.B. degree from Western Kentucky University and her Master's from the University of Louisville. Mr. Palmer received his A.B. and M.E. degrees from the University of Kentucky.

Mr. W. K. Niman is Administrative Assistant in Human Relations. As a representative of the County Board of Education, he acts as a liason between students, parents, teachers, and the administration in solving unusual problems.

The Goal

We are standing in the great dawn of a day
they did not know,
On a night they only dreamed of, toiling
darkly far below;
But our gaze is toward a summit, loftier, airier,
mist — encurled,
Soaring skyward through the twilight from
the bases of the world
Up and up, achieving, falling, weak in flesh
but strong in soul
We may never live to reach it — ah, but we
have seen the goal!

ODELL SHEPARD

The Senior Class Executive Board is composed of the class officers and the representatives from each Senior Homeroom. Meetings are held frequently to discuss Senior activities. Among these are the dues drive, the prom, and the breakfast. This year a change has been made in that the breakfast is being held in the gymnasium after the prom and the Senior Activities are being held on the Belle of Louisville.

The Senior Class officers have done a wonderful job making our last year at Seneca one of the greatest ever.

Senior Executive Board

The Class of '71's Executive Board has kept every member informed of all topics discussed and all decisions made in the meetings. This panel of interested seniors is the center of planning for all Senior activities.

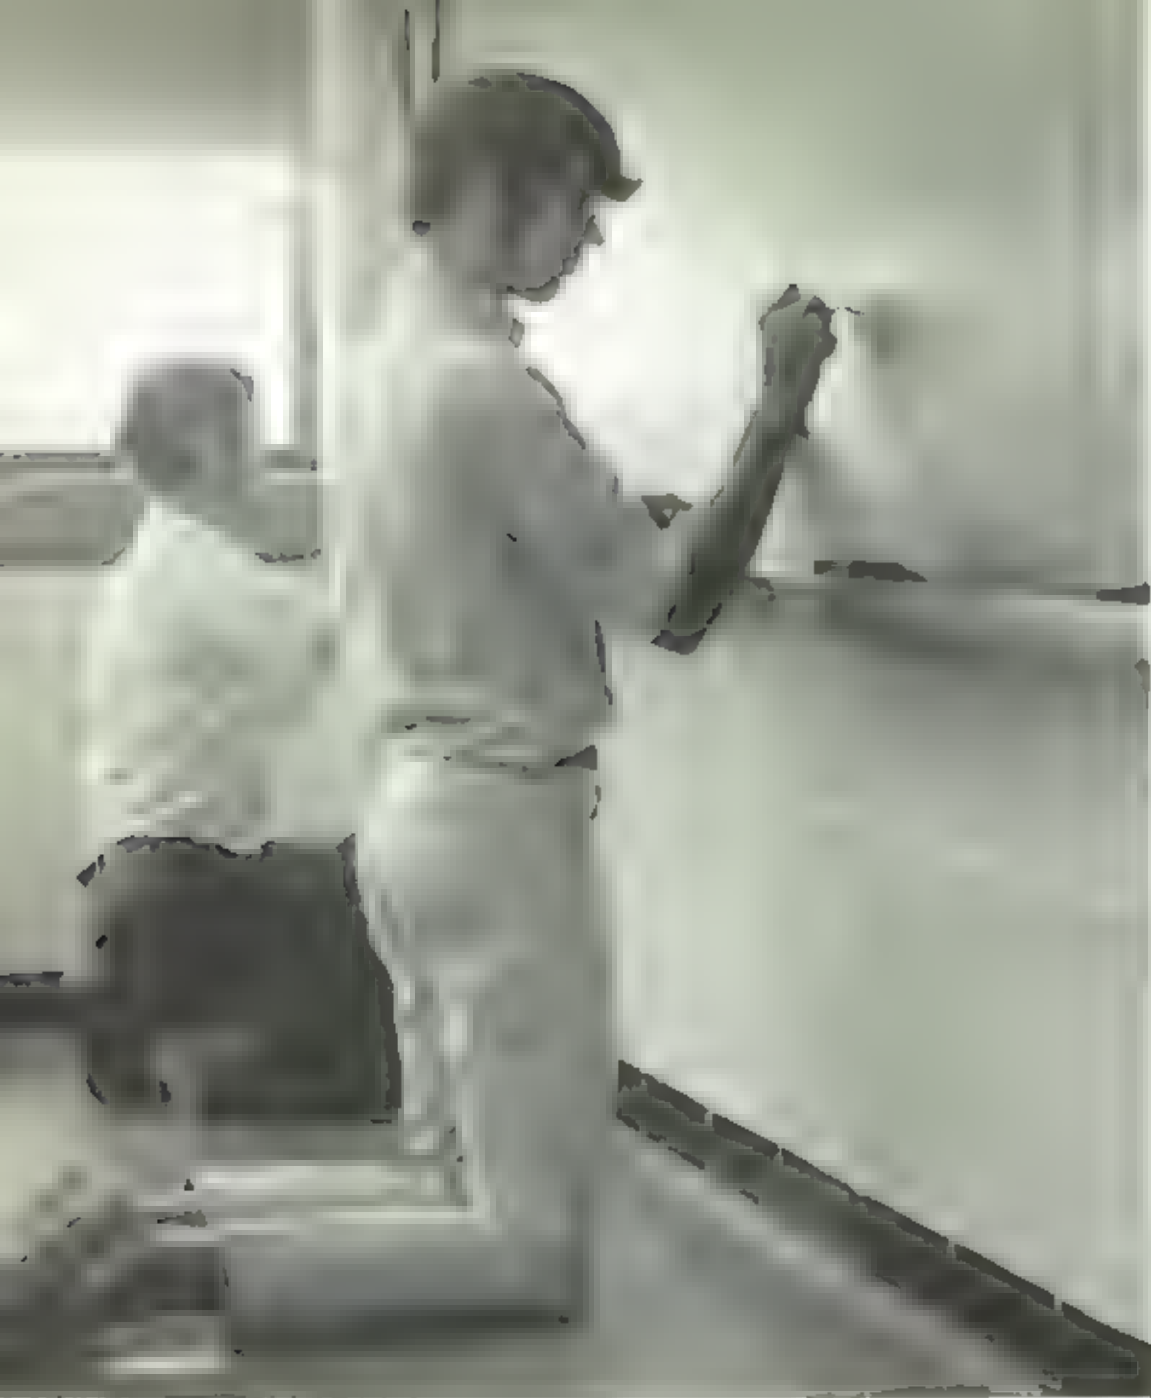

Maggie Conley, Treasurer, Rounda Dorsey, and Patty Hines, Sergeants at Arms, Andrea Radloff, Secretary, and Vice-president Ben Juffer, looked on as our first Senior Class meeting got underway.

The last scene before the final curtain is always the best

1966 We've Only Just Begun . . .

Sharon J. H. is surprised at her first TV class. Since then the size of our class has decreased but is twice expected at Times.

Mrs. Becker's Low Class during an oral presentation 1st grade

The scene in the end room is a little more lively now. We now have a Sevier range with new bar it is in a lighter atmosphere

. . . To Live 1967

Mr. Dimesy's school period charges was a juvenile. We don't wear a Dimesy group.

We have fond memories of the last Speech and Drama Club of Junior High

1968 So Many Roads to Choose . . .

The Freshman Cheerleaders showed their talent on the football field

where Beth Boileau and Linda May of the girls in the Class of '71 were represented in the JCH Calendar contests over the years.

The hard working officers of our freshman class were Barbara Barnstable, Secretary, Mal Tribble, Treasurer, Danny Karent, President, Mark Cain, Vice President, and David Heintz and Adele Gleaves, Sergeants-at Arms. Many of these former officers are still working for the betterment of our class.

. . . That Are New to Us 1970

Many changes have been made in the Seneca Senior ring since its initial designing. The pictures reveal a complete figure of Lonesome on the side of the ring. The inner side of the ring is now closed, raising the stone and enhancing its beauty with a cut effect.

The arrow point which appears on the ring represents the arrow which was found where the new wing of the school stands. Lonesome Polecat is the mascot of the school. The scroll of learning is for scholarship and academic achievement. The winged foot represents Mercury, the messenger of the gods, speed, accuracy and determination. The torch is for educational achievement. The olive branch is the symbol of peace. The sword of courage and the atomic symbol represent the challenge of the present age. A.D. 1957 indicates the year the school was founded and the other date represents the year of graduation.

Our class was the first to present a play other than a Senior Play. The Junior Class performed the play "Days and Nights" for their first dramatic endeavor which was later followed by their Senior Play, "Guys and Dolls."

Maggie Corley, Senior Class Treasurer, has a reputation for being a trouble maker, but she is a good girl.

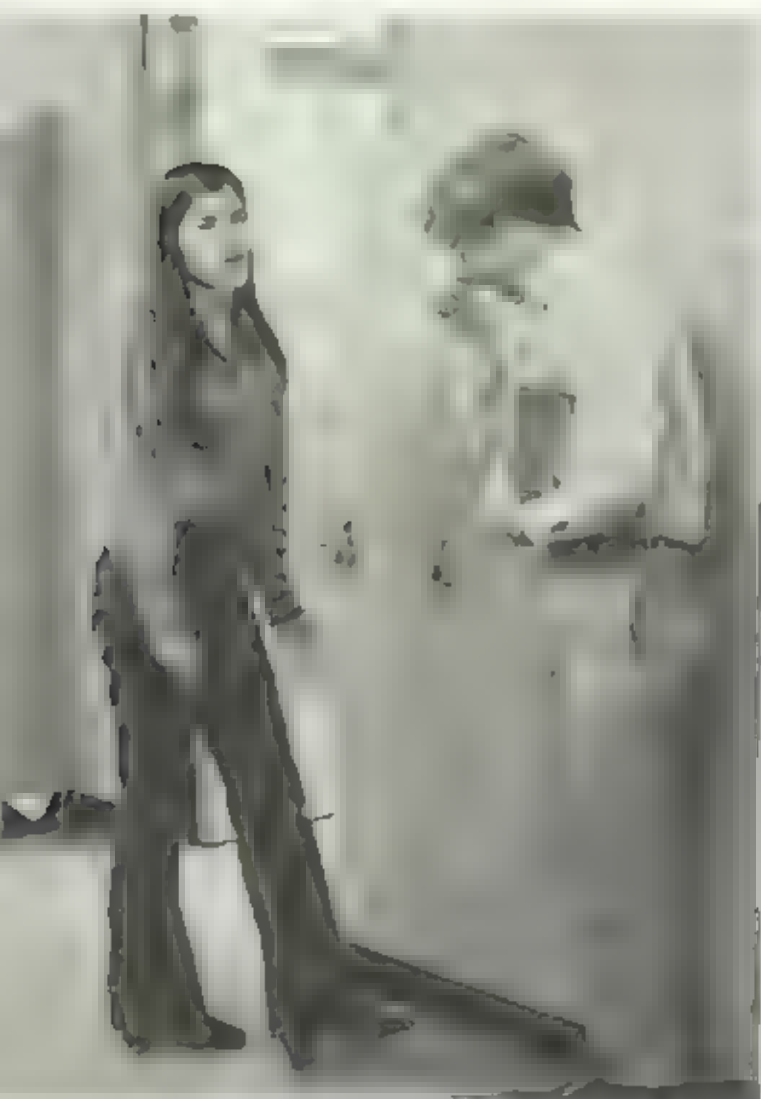

The class asks, "Where's the party?" They sing their praises to good, reliable Nathan Decker, the class's established permanent floating crap game in New York.

. . . and We're On Our Way

Quill and Scroll members Jason Williams, Nancy Rhodes, and Audrey Shersky brief the new members before they are elected.

Seniors Marty Hollenbach and Kevin McTavish discuss the Senior activities, including the prom, the breakfast, and graduation.

Six years is a long time, but in six years these members of the Class of '71 have acquired many things. First of all, they obtained responsibility, they sought knowledge, and all the time they looked toward a higher goal, a light shining in the darkness of the future. Soon, they will be on their own, traveling the many roads of fate, which are hopefully leading to success. They will use the tools they learned, work to be conscientious citizens, and try to spread good will to their fellow man. And so, at the close of one phase of life and the beginning of a newer, more exciting one, we wish these young people luck for the future, for their happiness, and the inspiration needed to make life a beautiful experience.

"Katy and Bob, Our Leaders"

If there was ever a person more deserving of a title, it is Katy. She has been one of the most active members of the Senior Class, participating actively in the National Honor Society, the debate team, and on the AURORA Staff. This past year she was Vice-President of the Student Council and she was often helpful to President Oliver Buckner. Aside from being intelligent, she is a person full of poise and grace who will leave a part of her warmth at Seneca when she graduates.

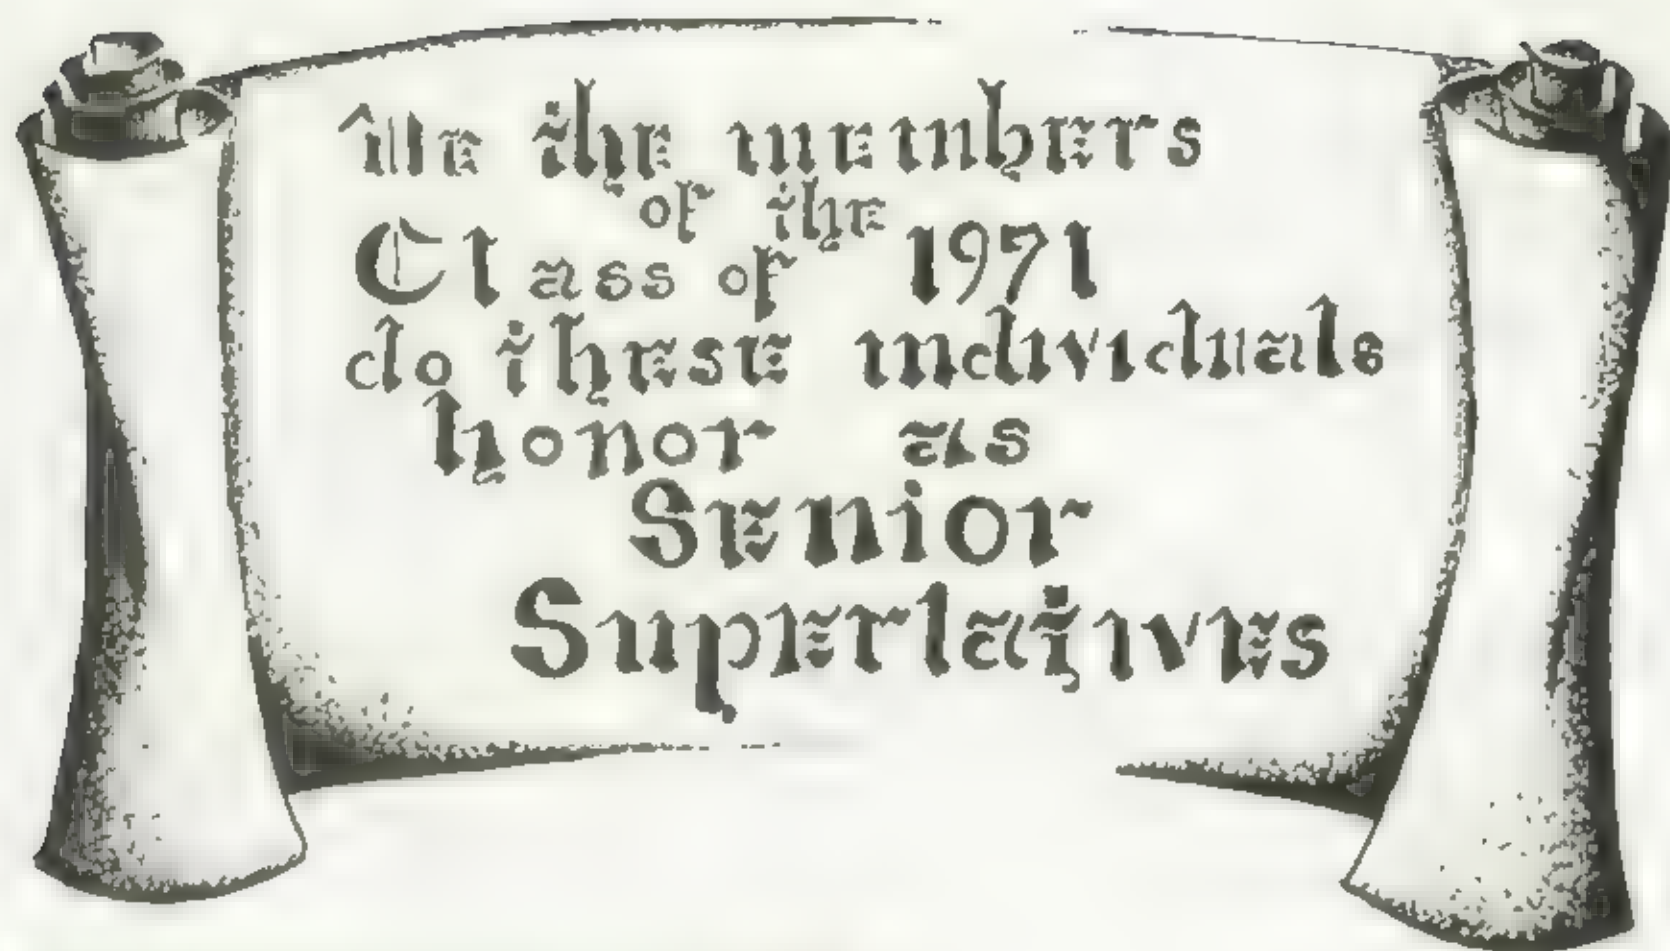

What can be said about a boy who has done almost everything in his high school years? He has been president of his junior and senior classes. He was treasurer of the Student Council his junior year, and is full of undying spirit for his school athletic teams. Bob has helped tremendously to carry on Seneca's tradition of intellect, fellowship, and school spirit.

A VETERAN GYMNAST

When one thinks of outstanding Seniors, the name Adele Gleaves certainly comes to mind. Not only intelligent and beautiful, but Adele is also very talented. She was chosen to be on the gymnastic team representing the United States in the World Gymnastics Championships in Ljubljano, Yugoslavia. She achieved second place standing for high scorer on the USA team and placed 33rd in world competition. Also, Adele was chosen to be one of six girls in the U. S. to compete against the Russian gymnasts at Penn State on February 5, 1971. Locally, Adele was honored to become a Kentucky Colonel and she received a key to the city of Louisville.

Adele displays one of her many awards

Adele, in her perfect form

MEET THE MASTERS

Another qualification for being outstanding is intelligence. Our own Elliot Goldstein rates very highly in this category. Math and science are Elliot's specialties and his achievements certainly show it. He is the number one math student in the state of Kentucky. He was rated 23rd in math in the nation in 1970. He is a two-time winner of the Bellarmine Math Competition and the Louisville Math League. Elliot won the Rensselaer Math and Science Award for 1970. This was given to the top math and science student during the junior year. His 1971 achievements include the Bausche and Lome Award for the top science student in the Senior year.

Around Jefferson County, Seneca is known for its instrumentalists. One of the most outstanding is Herby Bruce. He is the director of Seneca's Pep Band. It has changed from merely a pep band to an outstanding show combo, performing here at Seneca and at some other schools in the county. He performs in the All-State Band and the Jefferson County Youth Orchestra, which will be traveling to Switzerland this summer. When Herby displays his talent in school activities and elsewhere, he puts forth a sense of pride and responsibility that carries with it the salt of Seneca.

Herby participates with the group as well as directing the Pep Band.

The greatest discovery of my generation is that human beings can alter their lives by altering their attitudes of mind.

HONORS

NATIONAL HONOR SOCIETY

Every year, certain Seneca students receive a merited award for their leadership, academic accomplishment, and character. These students are inducted and become members of the National Honor Society, which is sponsored by Mr. Raymond and Mr. Palmer.

Students must have an accumulative 3.5 average to qualify, and then must pass required standards for inductees.

In the induction ceremony held in the spring, each new member is tapped by an old member, thus becoming initiated into the NHS.

This year, as a special project, the NHS sponsored a paper drive where students, bringing a ten inch or more stack of newspaper, would receive a button, committing them to a project. The response was tremendous and served a great purpose to which many eyes are turned today — the fight against pollution. Seneca students were given a chance to show how much they care about keeping our city, and surrounding area clean.

President, Ray Davis stacks newspapers for the NHS paper drive.

BETA CLUB

Any Sophomore with a 3.2 academic average is eligible to become a member of Seneca's Beta Club. The induction ceremony was held in January. The inductees were individually called forward to receive their Beta Club pins, magazines, and membership cards.

Under the guidance of Mrs. Barnes and Mr. Francis, the school magazine, the AU-RORA, and the "S" book — which is a listing of the clubs at Seneca — are published yearly.

The Beta Club, through its various services performed at Seneca is, and will continue to be one of our school's major attributes.

QUILL AND SCROLL

The traditional candlelight Quill and Scroll induction ceremony was held at the home of Mrs. Kraft, who is ARROW advisor. Miss Combs, the SENTINEL sponsor, welcomed the new members also. Students inducted into this organization have shown outstanding ability in journalism for one year on the ARROW, the SENTINEL, or the AURORA.

The new members carefully watched, and listened as the candles of Truth, Leadership, Service, and Justice were lighted, and their functions in Journalism explained. Every person received a Quill and Scroll pin and membership card. Then the candles were extinguished, and the lights were turned on.

After the ceremony, new officers were elected for the 1971-72 year. They are Forest Flaniken, Pres.; Chip Gerlach, Vice-Pres.; and Teri Sharp, Sec.

Later, refreshments were served, and the evening was very rewarding, as well as fun for everyone.

MODERN MUSIC MASTERS

Modern Music Masters is an honorary organization composed of students who have been engaged in music at Seneca for two years. To be eligible for membership, a student must have maintained a "B" average in music, either choral or instrumental and a "C" average in his academic work.

There are two new additions to the Tri-M Clan. Mr. Bostain, and Mr. Brown have taken over the responsibility of sponsoring the Modern Music Masters.

We are positive that with the assistance of these very capable, and willing men, the Modern Music Masters will be an even finer organization in the years to come.

NATIONAL MERIT FINALISTS AND LETTERS OF COMMENDATION

National Merit Finalists are *standing Left to Right* Mike Snyder, Tom Ash, Elliot Goldstein
Seated Michelle Gray, Alice Nethery, Marilyn Robie, and Katy Gilbert

Juniors have many difficult decisions to make. One important decision is whether or not to take the National Merit Scholarship Test. The test, which is given in February, is designed to single out those students who possess knowledge in the major subjects.

Students whose scores average among the top 1% in the state scores become Nat. Merit Semi-finalists. They are then eligible to become National Merit Finalists.

Interviews are scheduled with different companies which grant scholarships. Scores from other tests are also taken into consideration. When a company accepts a student, he then becomes a finalist.

Letters of Commendation are given to those students whose test scores are a few points lower than those of the semi-finalists.

A student selected for any of the three categories is indeed a member of an elite scholastic group.

Persons who received letters of commendation are *Left to Right*, Susan Raczkowski and Kathy McEuen

State JCL Convention Winners are, *Standing, Left to Right* Shelly Waugh, Camille Norman, Sarah Brown, Debbie Divieson, Mary Ann Gombz, Sally Downing. *Kneeling* by Sorority Division: Julie Ann Weaver, Faye Fackler and Merle Newlon.

JUNIOR CLASSICAL LEAGUE

The JCL Convention at Ohio University, Athens, Ohio was attended by seven Soursans, and led by Mrs. Gertrude Chandon, JCL sponsor. Those few days were exhausted by hours of workshops, contests, general meetings, meeting the other 1700 delegates, a Roman Banquet, toga hops, olympics, and full-time enjoyment.

JCL National Convention Attendees are, *Left to Right* Camille Norman, David May, Ellen McClaggitt, Eleanor Flanken, Tom Reed, Ed Goodberg, and Mariya Glinz.

The Math Team Members. Standing Left to Right: Jim Miles, Elmer Goldstein, Bill Rubin, Mary Yates, Randy Hays, David Rutledge, Jeff Dunman, Bob DeLoval, Kuerling, Robert Barringer, David Becker, Jim Pinash, A. Roatto, Anthony Almer.

MATH TEAM

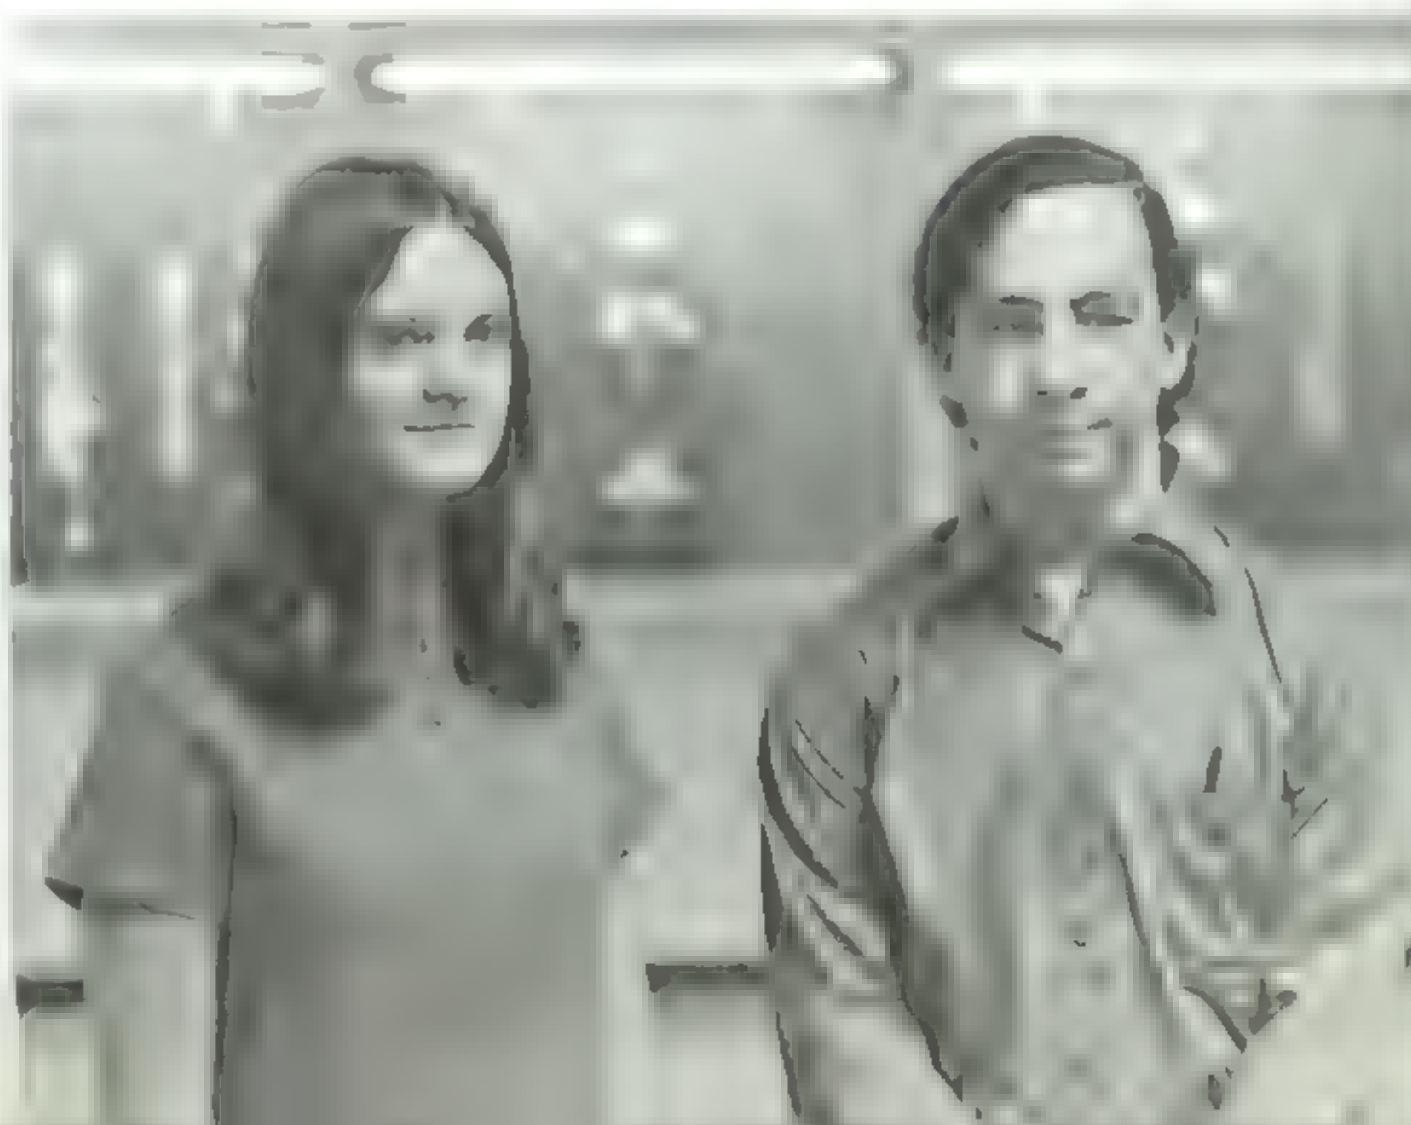

The Math Team is a select group in honorary organization, although being a member of this select group is an honor in itself. Each year students who wish to become a member of the Math Team must take an examination, and are chosen according to their scores. Three seniors, juniors, and sophomores are eligible to become mem-

bers. Alternates from each respective class are also chosen. These students compete with teams from other surrounding schools.

The Math Team is sponsored by Mr. Mays, and is an outgrowth of Mu Alpha Theta.

ENGLISH ACHIEVEMENT AWARDS

Two Seneca seniors have been honored by the National Council of Teachers of English. Alan Plattus was one of seven state winners, and Katy Gilbert was one of seven state runners-up. These students are regarded by NCTE as among the most able English students of the nation's 1971 graduating classes.

Girls' Gridiron Action

On a sunny, but cold day the Senior vs. Junior Football Game took place. Even the cold temperatures could not keep away the team members and fans. The Senior girls' team, coached by Tom Warren and David Meeks, defeated the Junior girls, coached by Joe Wixson and Steve Marcum, by a score of 12 to 6.

After a scoreless first half the seniors took the initiative, and put themselves on the scoreboard twice, both times by Patty Hines. The first touchdown was a short

run around the end, the second a short run up the middle which had been set up by a pass from Barbara Beckham to end Susie Sweitzer.

The Juniors fought back and Junior team mate Julia Ray scored their only touchdown. The game was refereed by Rick Furino. December 5, 1970 will always be remembered as a victorious day for the Senior girls and their coaches.

Cover Girl
ROI LINDA DORSEY

The sound of rustling satin, the aroma of exciting fragrances, and the nervous tension in the air are the elements that transform a classroom into the dressing room for 35 young, hopeful, beauties.

This was the prelude to the 1970 Junior Classical League Calendar Contest. All Seneca organizations chose their most comely girls to represent them in the contest.

Student Council President Oliver Buckner served as the Master of Ceremonies, introducing each girl and her organization, as she was escorted onto the stage.

As each girl stepped through the trelis all eyes turned upon her. The girls were judged on the basis of poise, make-up, dress, smile, and over-all appearance.

Each girl was beautiful in her own right, and this made the choice all the more difficult for the judges. But since there are only twelve months in a year, only twelve of Seneca's most lovely girls can be chosen.

Homecoming Queen Nancy Rhodes

Autumn! The season when the sky is clear and brightly illuminated by each twinkling star. Autumn! The moribund leaves of red and gold are about to fall from the trees, but Seneca activity is just beginning to blossom. What could be more exciting and breathtaking than this — Seneca Football Homecoming! As the bleachers fill, the brightly uniformed band marches onto the playing field for their rendition of "The Star-Spangled Banner" with the "82 legs" following closely behind.

The opening kick-off signals the beginning of what will soon prove to be the greatest homecoming ever. Quickly, the halftime approaches and as the team leaves the field a mass of red and gold uniforms appear, followed by the Seneca Drill Corps. An excellent halftime presentation is executed by both groups as the crowd watches, dazzled by its beauty and perfection.

In the midst of all this splendor enter the homecoming candidates under the crossed swords of the R.O.T.C., as the band plays "The Sweetheart of Sigma Chi."

The culmination was the announcement and crowning of the radiant Miss Nancy Rhodes as the 1970 Homecoming Queen, and her princess, charming Miss Connie Hummel. Following the game there was a dance featuring "Brass Underground" which completed the successful evening.

The Redskins Participate in Yule Parade

Every year the Retail Merchants' Association and the Louisville Jaycees sponsor a Christmas parade through downtown Louisville. This year the parade had the most participants in its history. Seneca had the most entries of any high school. The Drill Corps headed the parade followed by the Amigos visiting from Bolivia. Next in line were the band and the Junior Marine R.O.T.C. Then came the Seneca Language Department Float, and, finally Seneca's illustrious football Homecoming Queen, Nancy Rhodes.

The 1970-1971 Seneca Hi-Q-Team is off to another good year. Last year's team was the undefeated champion in the weekly contest sponsored by WAVE T.V. This year's team is certainly on the way to bringing home another first-place trophy. Undefeated in three starts, the team must retire until the finals in May. Here all teams who were retired will be matched in competition for the title.

The team is sponsored by Mr. Gary Parker of the English Department. The members are Seniors Alan Plattus and Tom Ash and Juniors Marsha Collins and Alan Zukof. Senior Katy Gilbert is the alternate.

Coach Jackson

Each year at Seneca when the Redskins baseball season starts, all of the players and coaches ooze with enthusiasm. This year's squad followed the tradition, but this time the enthusiasm lingered as the winning season progressed. The 1970 ball club displayed a major league style both in the field and at the bat while romping over well established teams from Durrett, Western, Jeffersonville, and Fairdale. Even though they were a young team these sluggers compiled a most commendable 9-10 won-lost record under the veteran coaching of Mr. Jackson. The inexperience of many of the boys was made up for by their unusual hard hitting and errorless fielding abilities along with the tireless hustle the group displayed at all times. A great deal of leadership was also shown by the relatively few number of seniors who helped out the underclassmen with their extra years of wisdom. Special recognition goes to Bob Hutcheson and Rick Furino, the leading hitters of the team with .333 and .319 batting averages respectively, along with Buddy Key, the most successful pitcher with a 3-1 individual won-lost record and averaged nine strikeouts a game.

With the sophomore-junior dominated lineup and all the experience gained on this year's squad the 1971 team should be even better.

J.V. Baseball

The purpose of the J.V. Baseball program at Seneca is to get the younger boys ready for their upcoming varsity careers. This is exactly the job that was completed as this year's J.V.'s learned to win and lose with a sportsman-like attitude. Even without the services of many sophomores who showed great poise in playing with the varsity squad, the team steadily improved during the course of the season. With new talent like this, the future seems full of varsity baseball victories.

Girls' Basketball — Exciting new Sport

Women's Liberation has caught on at Seneca this year with the formation of a girl's basketball team. Any Freshman, Sophomore, Junior, or Senior girl was eligible to compete for a position on the team. Tryouts were held in the small gymnasium after two hours of strenuous activities, eleven girls were chosen.

With the excellent guidance of Miss Peterson, the team finished the season with a very commendable mid-season record of two wins and five losses.

We wish this new girls activity much future success and welcome it to the Redskins athletic scene.

Girls' Hockey

Teamwork is what it takes in any sport, to win games, and girl's hockey is no exception. Through the skilful leadership of Miss Peterson, sponsor; Janet Raque, captain; Gwynette Moss, co-captain and the cooperation of all 15 players, the girls' hockey team ended a very fine season with 2 wins and 2

ties. In order to play their games, the girls had to cope with rain, snow, and muddy fields. Due to unfavorable weather conditions many of their games were canceled. We congratulate them on their outstanding season, and wish them the best of luck with the puck next year.

The 1970 season was a success for our Seneca Cindermen. They compiled a very admirable record of nine wins and four losses and also finished second in the Class AAA State Championship Meet that entered 23 teams. The team reached many high goals in the regular season and they saw many school records fall, but more important were their accomplishments in the State Meet. In this meet sophomore sensation Ralph Pettway won the 220 dash, and the 100 yard dash with the excellent time of 09.8. Doug Beckham, Henry Johnson, Ralph Pettway, and Grady Holt also won their event, the 880 yard relay, shattering the state record.

Seneca's Don Cook placed a close third in the two-mile event. The future of Seneca's track team is very bright because many of its members are returning.

Girls Track Builds for the Future

Enthusiastic was the key word in describing Seneca's girl's track team this year. The majority of the spots were held by eighth and ninth graders. The "guiding light" for these young runners was Coach Milton Miller. Under his leadership, the girls learned that the success of a track team was running and jumping like a "scared rabbit," and that's just what they did.

Although they didn't win a local meet, their fine abilities were displayed in the regional meet. Two winners for Seneca were Sheila Graham, who was off to a running start to place third in the 100 yard dash and Toya Brazley, who was "leaps and bounds" over her opponents to place fourth in the high jump competition.

Now that the girls have had a year's experience, the coming year should prove to be a very successful one.

Our Seneca Linksmen teed off to a very successful season by winning their first four matches and winding up with a record of nine wins and four losses. Since none of the four members of the team were Seniors, we can expect a very fine team in their 1971 season. Returning will be Seniors David Rosenbaum and Lee Benovitz, and Juniors Jim Staats and Phil Denzinger. These four promise to build a powerful golf team in the coming season.

Varsity

The Varsity Cross Country ended this year with a 4-1 record. The season was supplemented by a trip to the Kentucky State Meet. Among the defeated were Fern Creek, Westport, Durrett, and Waggener. The lone victor was Trinity.

The Redskins took third place in the County Meet. In this meet Don Cook set a record for Chenoweth Park by running the course in 10:12. Seneca's Cross Country next placed a fine second in the Regional Meet, and meriting the trip to the State.

The second place position in the Regional won the Seneca Cross Country runners their first trophy. The Cross Country Team polished off the season with an eighth place finish in the State Meet.

Standing, Left to Right, Tommy Thompson, Bobby Burren, Billy Probus, Mike Schupp, Danny Weaver, Phillip Logsdon. Kneeling: Don Howard, Greg King, John Stigall, Ron Allen.

J.V. Team

The Junior Varsity Cross Country team had a good season, also. They finished with an excellent 4-1 record. They were victorious over Butler, Fern Creek, Westport, and Durrett losing only to Trinity. From what was shown here, it is evident that these young athletes will carry on the winning tradition.

Coach Williams and his 1970-71 wrestling squad

Seneca's Opponents Cry "Uncle"

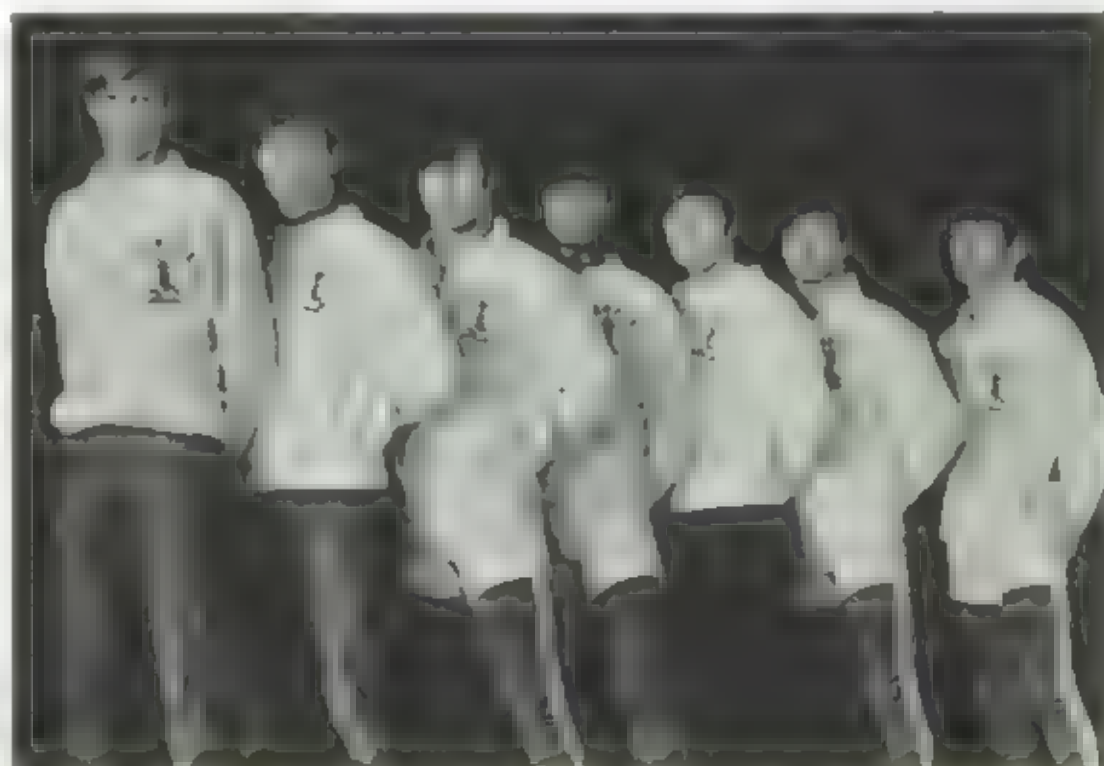

Once a wrestler enters competition, he is all alone. When a match starts, there is a one to one ratio between opponents, there isn't a team to help or fall back on.

Wrestling is truly an all out muscle sport. However, there is an element of quick thinking and lightning fast reactions. It is one sport that leaves the winner a true victor.

Seneca's wrestling team, coached by Mr. Williams, had a good season this year. Although they didn't compile an outstanding team record, there were many individual stand outs. Examples of this are: Bevan Kushner, 98 lb. division, an outstanding 11-2 regular season record; Marc Clemons, 145 lb. division, an impressive 8-3 record; Ralph Barringer who was 1-0 until he suffered a broken arm in his match against North Hardin; lastly, Roger Turner, 185 lb. division, a fantastic 11-2 record. In the Regional Tournament held in February, Roger Turner was champion of his weight class while Bevan Kushner and Kenny Aydt finished second. Lonesome appreciates this hard practice and valiant effort on the part of Seneca's matmen.

The girls tennis team had an exciting season with two wins, four losses, and two ties. The season began in April with the team practicing nearly every day under the coaching of Miss Pat Richardson. Matches started the first of May with Waggoner as the first opponent. They ended with a final regional tournament directed by Miss Richardson at the Tennis Center. Jill Meehan and Eleanor Flansken represented Sebeca in singles while Pat McWhirter and Lori Eggers paired up for doubles. As witnessed by this year, the team can look forward to a bright future.

Seneca Football Puts It Together Again

Furino takes the snap from Richardson, fakes the dive left and rolls out right behind a solid wall of blocking. He spots a streak of red downfield and promptly rifles a bullet pass to Danny Karem in the end zone as the elated Redskins jump in front of Thomas Jefferson 6 to 0.

All the work and hopes of our football season are exemplified in this play. The season was a success just like the touchdown pass, yet it was a disappointment like the outcome of the Thomas Jefferson game. Most teams in Jefferson County would be satisfied, even joyful at a 7-3 won, lost record, but to a Seneca player and team it is different because of our winning tradition. This year, we as a team had as much potential as almost any opponent, and with a few breaks . . . who knows? In life and in football we learn to fight on, and take the breaks as they come. We were all proud to participate with a team like this, a team that had

its up and downs, but also one that had heart, never admitted defeat, and when the final whistle sounded we always held our head high.

Teams like this just don't happen everywhere, but they seem to be consistent around Seneca. Few others than the players realize that the reason for this is a dedicated coaching staff. We the players want to thank head coach Gebhart and Coaches Cain, Taylor, and Swart for making this season the most fun and interesting one many of us have had. We didn't seem to mind working hard for them. Of course we regret not being able to go all the way this year. Especially we are sorry for the seniors who last November 5, played their final game in a Seneca uniform, for most their last organized football game. We have empathy with the coaches who gave so much, and wanted it for us, so badly.

The JV football team of 1970 had an excellent season. Directed by the Varsity coaches, they compiled a 2-1-1 won — lost record. Some of the Varsity members played with the JV's. They defeated Eastern and Jeffersontown, Westport, but lost to Waggener.

The Freshman football team, led by coaches Williams and Treadway, finished off the season with a 1-2 record. They were victorious over Thomas Jefferson yet lost to Ballard and Trinity.

Seneca's fencing team, although not widely mentioned is very successful and is entering its second decade of competition.

Fencing is an art of attack and defense with sabre or foil. It requires great skill, balance and quick reflexes. It is a very organized sport and has its own rules and equipment. A fencer wears a wire mesh mask, jacket,

gloves, and carries his weapon, the foil. Matches are fast moving and closely judged.

This year's team, headed by Steve Spero, is doing well as it cuts down its opponents one by one. Get the point? Lonesome wishes the team luck in coming matches.

"71" Redskin Splashdown

It was no surprise to find the Seneca swim team rocketing toward success in the "71" competition. Coached by Mr. Lynn, the team was out for a repeat performance of its excellent season last year. As they competed against opponents from other schools, they always bettered their styles and reduced time in all of their meets. Placing well in the State Meet held in the spring, is the hope of every swimmer. Good luck team!

The J.V. Basketball team had a good year. Led by Coach Stunnett, they whipped such greats as West-

ern, Durrett, Atherton and Fairdale. The jayvees showed fine shooting, good ball handling, and a great defense. Although the J.V.'s did not finish with a winning season, they continued to produce great ball players.

The team straightens up, as the cry of "get the tip" starts in the background. The ball goes up. Silverman leaps high, and easily tips the ball to Steve Bush who spins and heads down court. He feeds it under to Bill Pence, who maneuvers for an easy lay up to put the Redskins on top 2-0. A resounding cheer goes up from the crowd as they show their enthusiasm toward the frequent display of superior ability on Lonesome's home-court.

With last year's record fresh in their minds, and a de-

sire to win, this season's players put together an experienced team of ball handlers and defenders, with strength not only in the starters, but also on the bench. Led by seniors Garry Cosby, the region's leading scorer, and John Vaden, another scorer and rebounder, they had only to look forward to the next game, never worrying about the one before. This year's squad put together a fine season, and Coach Unseld and Assistant Coach Stennett deserve a hearty "Well done."

ORGANIZATIONS

If you were to ask a Seneca student what the school's most important organization is, he would probably say the Student Council. Through the Student Council, the students are given the opportunity to voice their opinions and get worthwhile projects off to a good start.

Changing the dress code was one of the council's major accomplishments. Under the new policy, student dress is left up to the discretion of parents and students. Other projects of the Council were the summer painting and cleaning of the school, Football Homecoming '70, and the annual Christmas Basket drive.

Due to the Student Council's search for answers to problems, our school community has become a better place to live. As long as problems exist the Student Council will continue to be an organization of value.

At meetings the Student Council always gets down to business.

LANGUAGE CLUBS

Seneca's language clubs provide the student with further experience in the language of his interest. Opportunities are afforded beyond the scope of the classroom activities. Perhaps the most important event of the year was the sponsoring of thirty-three "amigos" from Bolivia. They lived with us in our homes, attended our classes and gave us an opportunity to break the language barriers.

The language clubs sponsor other activities such as Christmas parties, a Mardi Gras party, scholarship awards and the whole department built a float in the downtown Christmas parade.

Our hats are off in appreciation to the sponsors who give so much in furthering these clubs. They are Mrs. Herren of the German Club, Mrs. Finley and Mr. Kunkle of the Russian Club, and Mrs. Hays, Mrs. Carson, Mrs. Norton, and Miss Tschudy of the Spanish Club, and Mrs. Chaudoin and Mrs. Williams of the JCL.

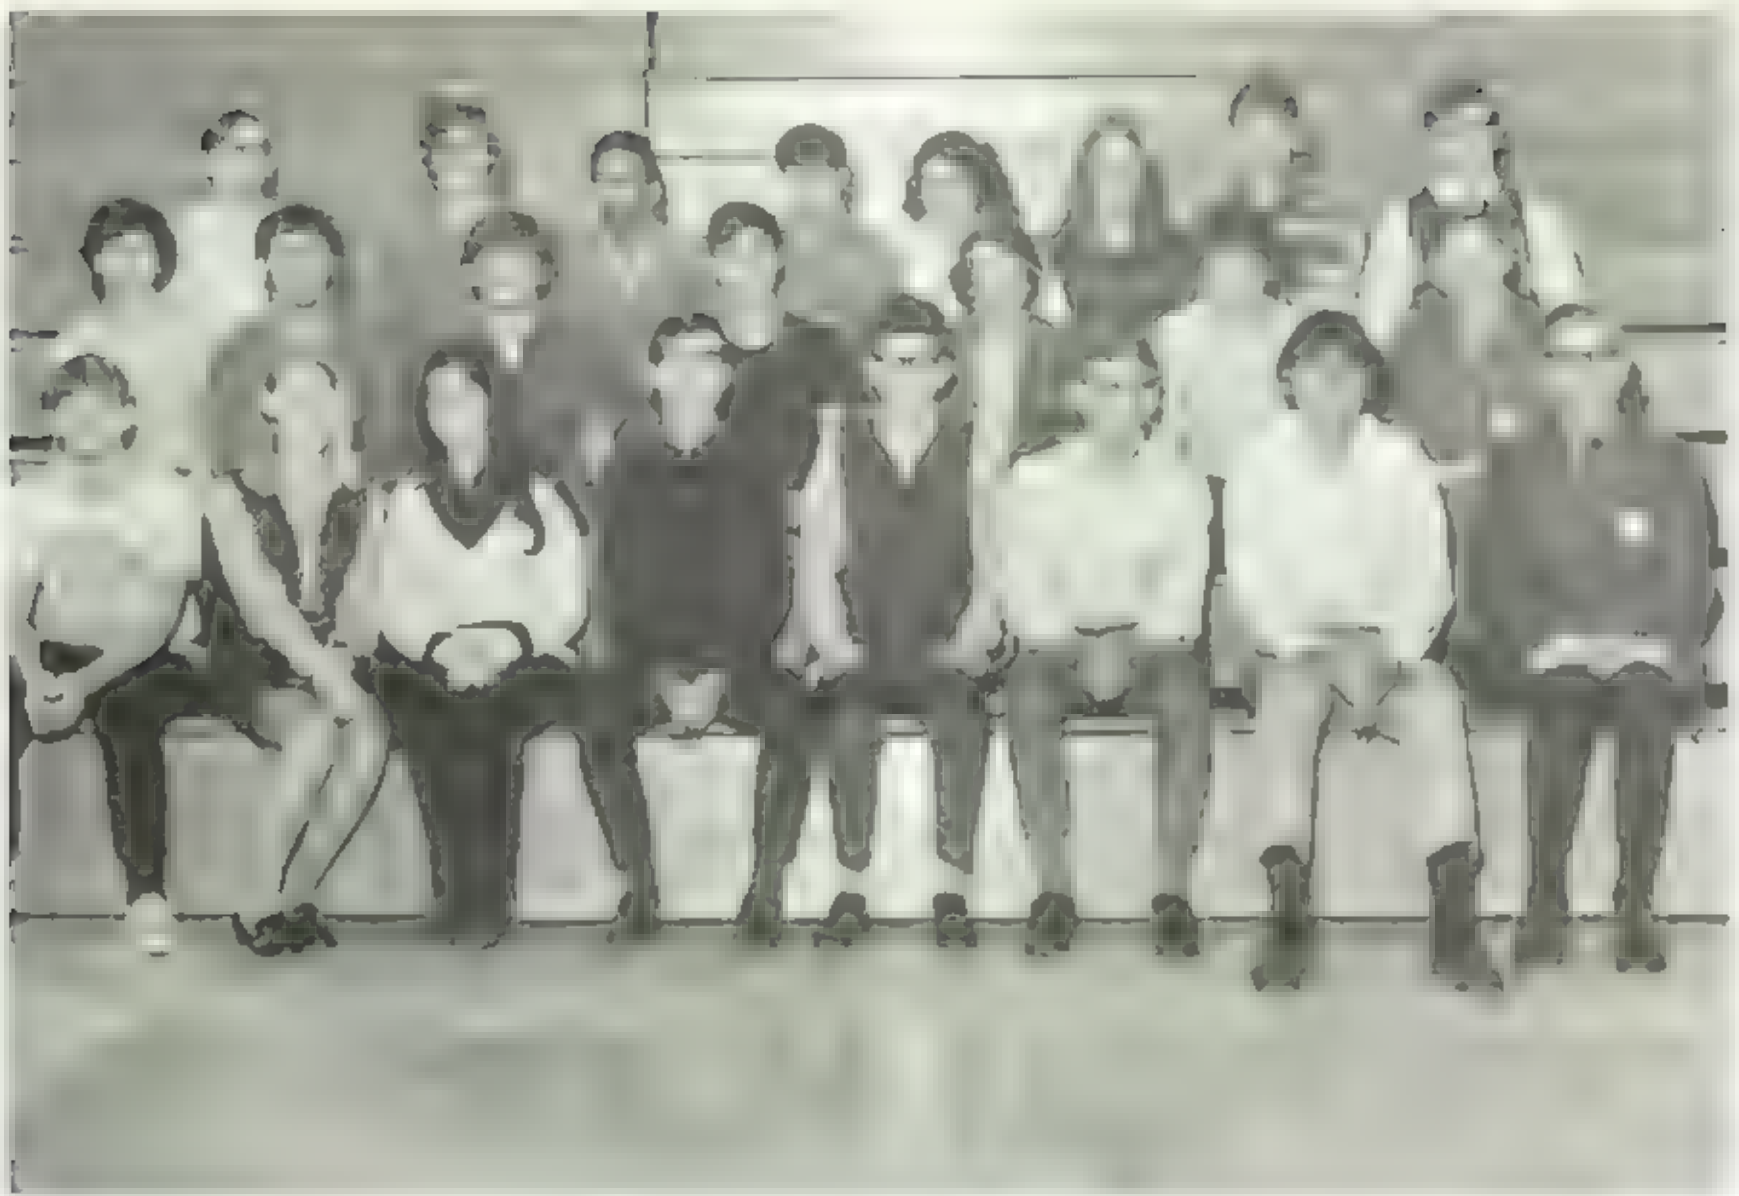

Chess Club

Seneca's Debate Team, under the sponsorship of Mr. Parker, promotes interest and thought on important issues of today, while teaching students to develop their ability of reasoning and persuasion. Members of the Chess Club are drawn together because they enjoy the excitement and suspense of the game. With the help of their sponsor, Mr. Raymond, this enjoyment has become ability. The Math Club, Mu Alpha Theta, is composed of students who wish to study the fundamentals of math and their application to things outside the classroom. Guided by Mr. Mays, each meeting of the Math Club was a learning experience. The Radio Club, sponsored by Mr. Purdy, was formed for the purpose of establishing the only high school radio station in Kentucky. At Seneca broadcasting began in January, and its success has made the Radio Club worthwhile.

What Does "13" Really Mean?

Early this year I received a tip-off concerning a number. Later, while passing room 218, I heard someone mention the number 13. Putting two and two together, I reasoned that there could be a correlation between the two incidents. I explored all the possibilities and came up with a conclusion. Some superstitious pessimists actually believed that the thirteenth edition of the Seneca High School yearbook would be a complete disaster.

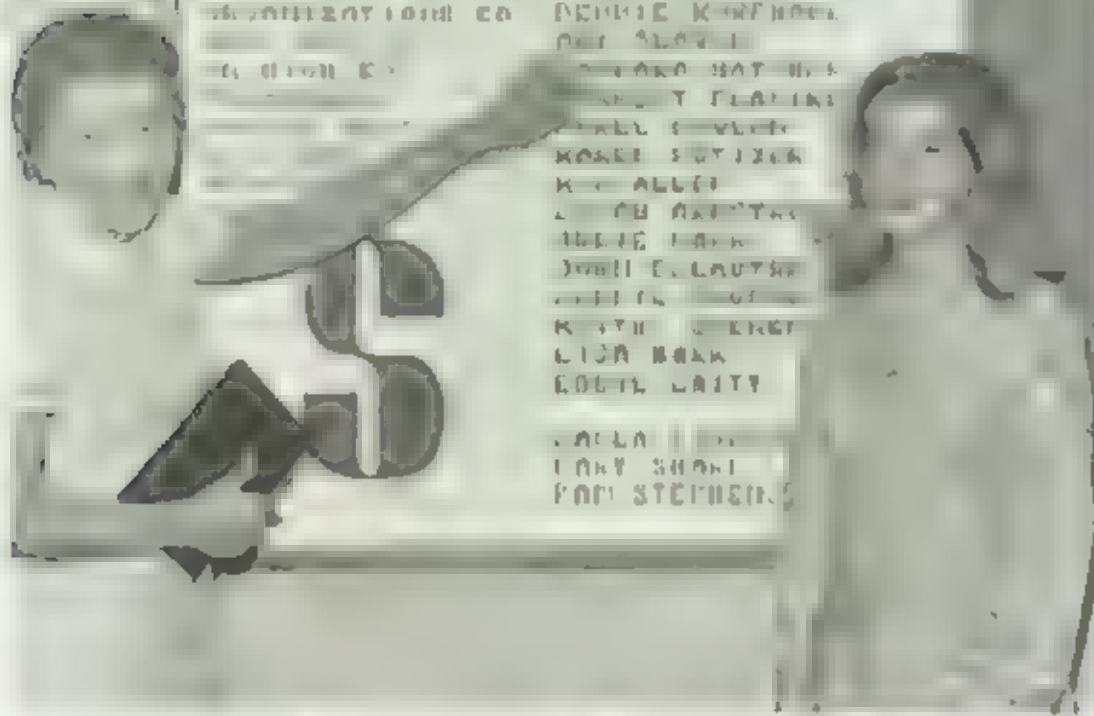

However, my cheerful, optimistic staff recognized

an opportunity to explode this superstitious myth! I sneaked a prevue — and — WOW! In addition to an innovative cover, they had completely revamped the layout and design of the ARROW

Even though a Gallup Poll was not conducted concerning the topic, I am sure you will agree with me that "13" dropped in the "Superstition Ratings" when you opened this book.

A "sign" of good advertising

The Sentinel continues to be the official "eyes and ears" of Seneca. Its reporting covers the latest school activities, news and topics of immediate interest to the student body.

The Sentinel staff operates under the competent sponsorship of Miss Barbara Combes and the leadership of co-editors-in-chief Tyson Williams and Marv Wrocklage.

Among the Sentinel's accomplishments this year was the winning of a Safety contest sponsored by the Louisville Police Department. The Sentinel coverage of safety was judged best among all competing high schools.

The Art Club, sponsored by Mr. Raymond, attracts students who are interested in art and art appreciated whether or not they possess outstanding talents. This is the eleventh year for the club. BEL CANTO

The Senior High Choruses, under the direction of Mr. David Brown, have done an excellent job in representing Seneca in the field of music. The choral department is comprised of five groups. Mixed Chorus is for beginning high students with little or no choral experience. The students learn the basic fundamentals of music and gain valuable experience for singing in a larger group. Girls Chorus is a "stepping stone" between Mixed and Bel Canto, the advanced girls chorus. Bel Canto is for girls really interested in music and truly become the pride of Seneca's choral department. Membership in Madrigal, an a cappella singing group, is determined by audition. Members must not only have good singing voices, but be able to read music, as well. Chorale is the advanced mixed group. Chorale members are advanced enough to master difficult pieces of music.

The chorus present two concerts annually and also participate in the annual Spring Music Festival. Mr. Brown, a native of Oklahoma, sings in the Louisville Bach Society and accompanied the Senior Play. We are looking forward to having him work us in the years to come.

Future Teachers of America

The Future Teachers of America is a club comprised of girls who are interested in the teaching profession. Mrs. Duffy and Miss Meredith sponsor the FTA.

The Red Cross is one of Seneca's most worthwhile organizations. Mr. Palmer led the students in their projects, two of which were a basket drive at Thanksgiving and a visit to a nursing home.

Under the leadership of Mrs. Turpin the Future Busi-

The Graduate

Graduation 1970

Expectation, excitement, happiness, and sorrow were some of the feelings the Seniors expressed in the spring of 1970. All of these emotions, and many more, came to a climax on the night of May 27.

As they awaited the calling of their names to receive their diplomas, the Class of 1970 looked upon the audience, made up of people who loved and cared for them and would be concerned with their future. Upon receiving their diplomas their attentions were drawn to the memories of the past and at the same time toward the challenge of the future. Now the future was upon each one of them. Being fully prepared for it, they were ready to accept the challenge.

On that special night in May Seneca's graduation class of 1970 knew they were not approaching an end, but a new beginning.

Susan Swan receives her diploma and congratulations from Mr. Wilson

Senior Prom

Familiar faces gather and talk at the graduation to come

A typical Romeo and Juliet, Bobby Dick and Murty Baldyga

Most Seniors delight in the success of the evening

Mr. Robertson and Mr. W. enjoy the event as much as Seniors Murty Baldyga and Mary Branch do

"Ahoy down there!"

Breakfast

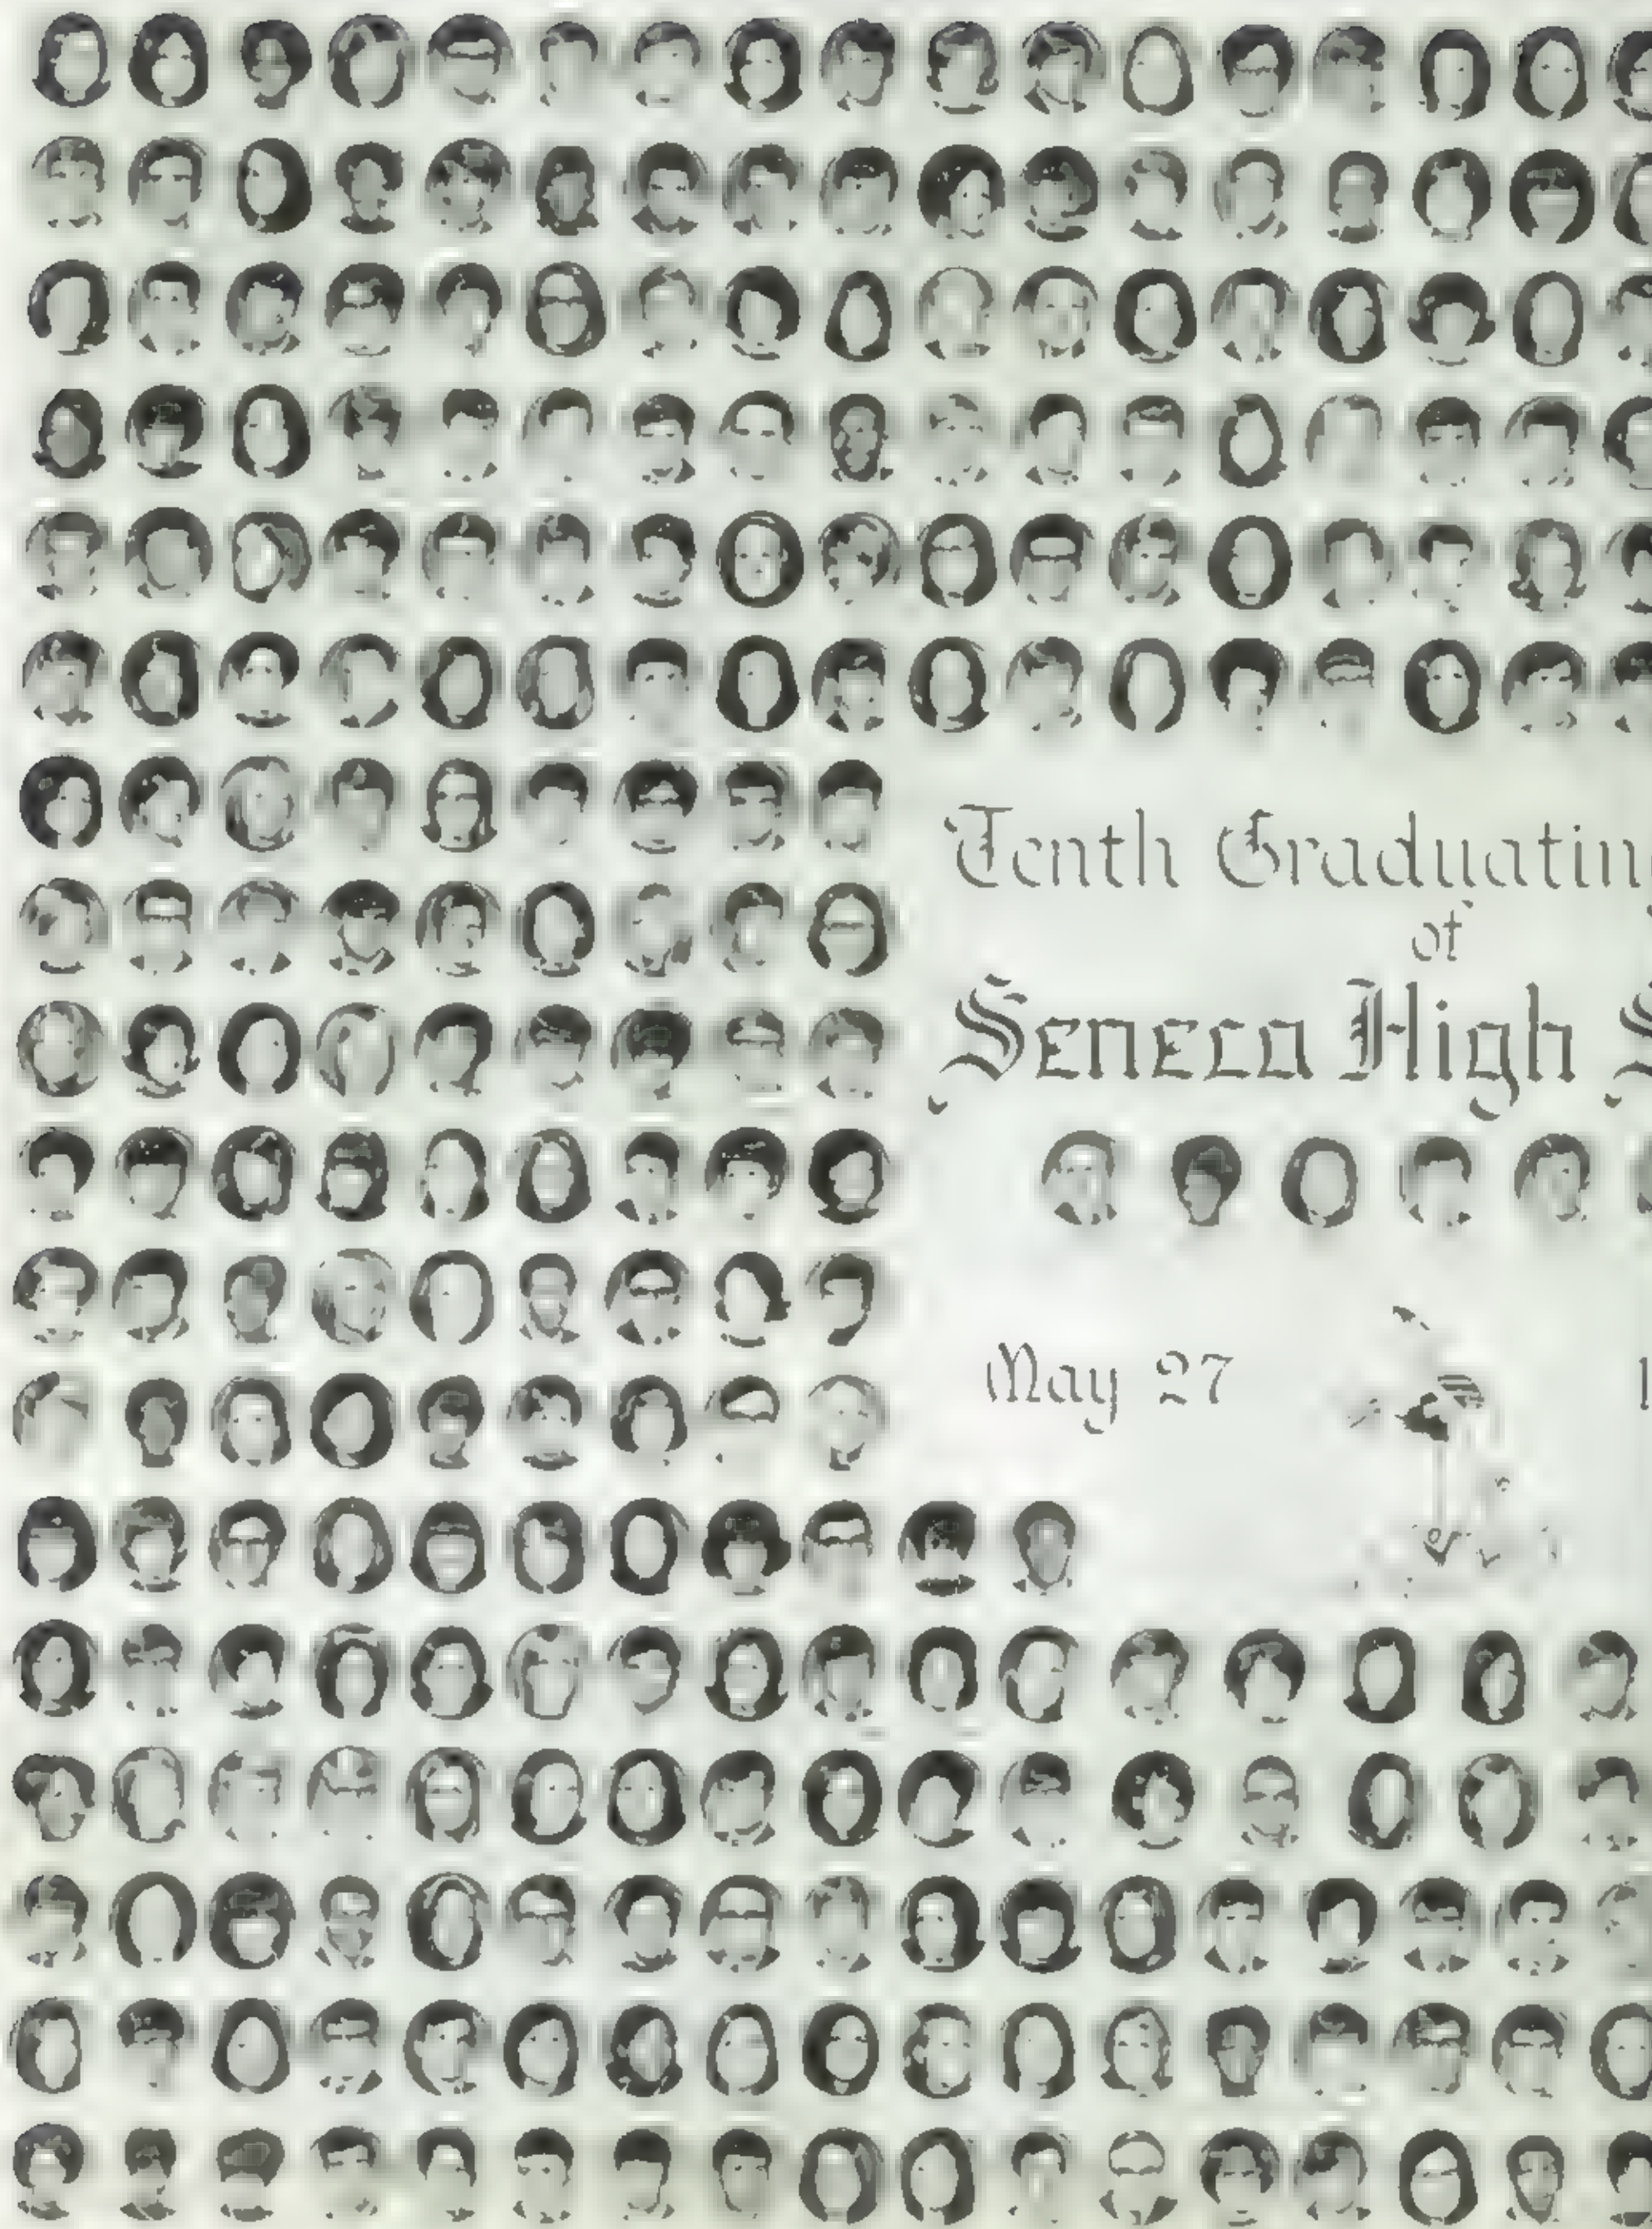

Don Johnson smiles as the Belle of Louisville gets underway

Walk through the doors of Catherine Spalding's Ball room into the streets of Verone, with its romantic lighting, the grave 16th Century castle walls, the decorative banners and shields, and the sweet aroma of the blooming dogwoods. Everyone that enters is Romeo and Juliet and now start to enjoy the night of enchantment. The music floating through the air is provided by Chet Kline and his band.

But as all good things must end, so does the prom of 1970. As the prom ends, the breakfast begins. The Belle of Louisville made its four hour cruise as the Seniors enjoyed their evening of togetherness. The Senior Class of '70 completed its social calendar with a memorable event.

The line is long but the Belle won't leave anyone behind

Brenda Igo Townes '63; voted Most Intelligent; returned to brighten science for many.

JUNIORS

A three-year experienced President!

The class of '72 just ended a great year. They helped, planned, and participated in several activities set aside especially for them. Among the projects was the Junior Class Variety Show. Another activity included preparing for the Basketball and Football Homecomings. So with such experiences backing them the Juniors are bound to be an asset as leaders of Seneca High next year.

The Juniors were successful in their projects under the leadership of Steve Bush, President; Doug Crutcher, Vice-President; Beth Henry, Secretary; Cathy Nash and Ray Walker, Sergeants-at-Arms; and Mark Kott, Treasurer.

SOPHOMORES

The sophomore class is an assembly of people with vastly different talents and skills. These young people are exceedingly vigorous and participate in various school activities which include boys and girls football, basketball, hockey, track, cross country, wrestling, tennis, swimming, cheerleading, ARROW, SENTINEL, and ALROSA Staffs, Sadie Hawkins Dance, and Student Council.

These activities are spearheaded by the Sophomore Class officers which are: David Tillet, President; Sandra Overall, Vice-President; Susie Spurlock, Secretary; Connie Hummel, Treasurer; Vickie Mather and Diane Kelty, Sergeants-at-Arms. It is plain to see that they can only lead to a winning combination. The Class of '73, Redskins promising Lonesome a great future.

FRESHMEN

The Freshman Class

The Freshman Exec. Board, *Standing, From Left* Peter Russell, Steve Vice, Britt Rhodes, *Kneeling, From Left* Donna Wells, Robyn Renzi

How do you begin four years of high school? If you don't know, ask the freshman class. Represented by President, Peter Russell; Vice-President, Tom Grieb, Secretary, Robyn Renzi; Treasurer, Steve Vice; and Sergeants-at-Arms, Donna Wells and Britt Rhodes; the Class of '74 has already impressed other Redskins by their enthusiasm and spirit. Thinking ahead, the class

goal is to establish a treasury, by collecting dues. From their participation this year in many Seneca organizations and activities, such as the JCL Calendar Contest, J.V. Cheerleaders, football, basketball, FTA, Student Council, and the Pep Club, we are sure to hear more from the Class of '74 in the future.

LONNIE Q. GLASGOW
PRINCIPAL

Our country is being plagued by fear -- fear of overcrowding, fear of the nuclear bomb, fear of pollution of our water and air, fear of violence, of hijacking of planes, and general rebellion. How can we dispel this fear? Through education! Education will improve understanding, and understanding will help us move toward a solution to our problems.

President Kennedy made the statement, "Ask not what my country can do for me, but what can I do for my country." If we all would apply this to our daily lives, not only toward our country, but to school, community, and our friends and neighbors, most of our problems would disappear.

Let us show brotherly love and kindness and apply the "Golden Rule" to our everyday lives. A little bit of kindness goes a long, long way.

Best Wishes,

Lonnie Glasgow

Mr. Glasgow

Mrs. Gale

Mr. McCarthy

The Seneca Jr. High School is once again a complete school in itself. Under the very capable and responsible leadership of Mr. L. Q. Glasgow, they successfully completed another year. Mr. Glasgow is assisted by Mr. McCarthy, the boys counselor, Mrs. Gale, the girls counselor, and Mrs. Gleaves, who handles the office. These people along with the faculty help prepare the Jr. High students for high schools.

6th Grade Day

Mr. Glasgow spreads the welcome mat

May is the month when future Redskins visit Seneca. Students from several elementary schools tour Seneca Junior High on Sixth Grade Day, observing its colorful classrooms and attentive students, and becoming acquainted with the rules and regulations of a larger school. Welcome, future Redskins! May success be yours in the coming years.

Junior High Student Council

The Student Council helps to establish a better understanding between the students and the administration. Under the capable leadership of Bruce Novicki, president; Steve Duncan, veep; Margaret Allen, secretary; and Debbie Zukot, treasurer, this year's council has sponsored several worthwhile projects: a Thanksgiving Basket Drive, the annual Valentine's Day dance, and the officer elections in the spring.

With dedication and service such as they have displayed this year, the members will undoubtedly become the pride of Seneca's Senior High Student Council.

Kentucky Youth Assembly

The Student Voice . . .

The Kentucky Youth Assembly, a mock legislature, was held at Frankfort October 22-24. Students from grades seven, eight, and nine ran as candidates for office. Ted Collins ran as Seneca's candidate for governor, but was defeated. Steve Vice was elected Lt. Governor and Becky Lawler was appointed to the office of Attorney General.

About 44 students participated in the meetings. Plans are being made for a Senior extension to the KYA, which would be a good strengthening tool.

J.V. Debate Team

The J.V. Debate Team was organized after the first six weeks of school. Not one of the twelve members had previous debate experience until November 11 at Trinity High School, when Bailey Taylor and Wendell Robinson (Negative Team) defeated Bishop David's J.V. Affirmative team.

In all, there are five inter-scholastic debates scheduled for the 1970-71 season. School's team members rotate, so that all may participate.

In Seneca's Junior High, many students experience their first musical training. Under the direction of Mrs. Tracy, the choral students learn to sing as a group, and look forward to their many performances during the school year.

As Christmas draws near, the choruses are hard at work perfecting an impressionable program which is presented to the entire Junior High. The choruses also participate in the annual Jefferson County Music Festival at Freedom Hall.

Seventh Grade Orchestra

The orchestra members were assigned to prepare secondary school students for participation in high school music groups. The members of the Junior High Orchestra look forward to becoming members of the high school orchestra and their participation in the music section of Seneca's Senior Play. The band members are enthusiastic about being part of Seneca's noted marching band. The bands are directed by Mr. David Boson and the orchestra by Miss Laurin Hefflers. Seneca salutes these hard-working musicians.

Junior Red Cross

The Junior Red Cross is composed of Junior High students who are interested in helping others. They work on various projects during the year, such as sending boxes overseas and in collecting and distributing food at Christmas.

The sponsors are Miss Taylor and Miss Elder. Lonesome is proud of this hard working group.

Gray-Y Cheerleaders

If you've ever braved the cold on a Saturday morning to watch a Gray-Y football or basketball game, you know of the outstanding work performed by the Gray-Y Cheerleaders. Sponsored by Marilyn Minor, this enthusiastic group of girls arouses the spectator spirit and inspires the team's victorious effort. In the future, do not be surprised to find these same girls as cheerleaders of the varsity teams.

Young Naturalists

The Young Naturalists is an organization of students ten years or older who have an interest in science. The group meets with Miss Taylor at least once a month to discuss science related topics.

Gray-Y Tackle Football Team

The Gray-Y Football Team is sponsored by the Highland Y.M.C.A. and is comprised of Seneca boys fourteen and under. This year's team was coached by Mr. Jim Karem and Mr. Dave Buehner. After about three months of season play, the teams got together and held a jamboree. At this year's jamboree, Seneca placed first with a trophy-winning performance! Congratulations!

The Junior High Basketball team is comprised of seventh and eighth grade boys. This year's team has put forth an outstanding effort under the able leadership of Mr. Gilbert Puncan. Lonesome wishes these boys much success on the future varsity teams.

Football Banquet 1970

Chris Roberts — *Most Valuable Player*

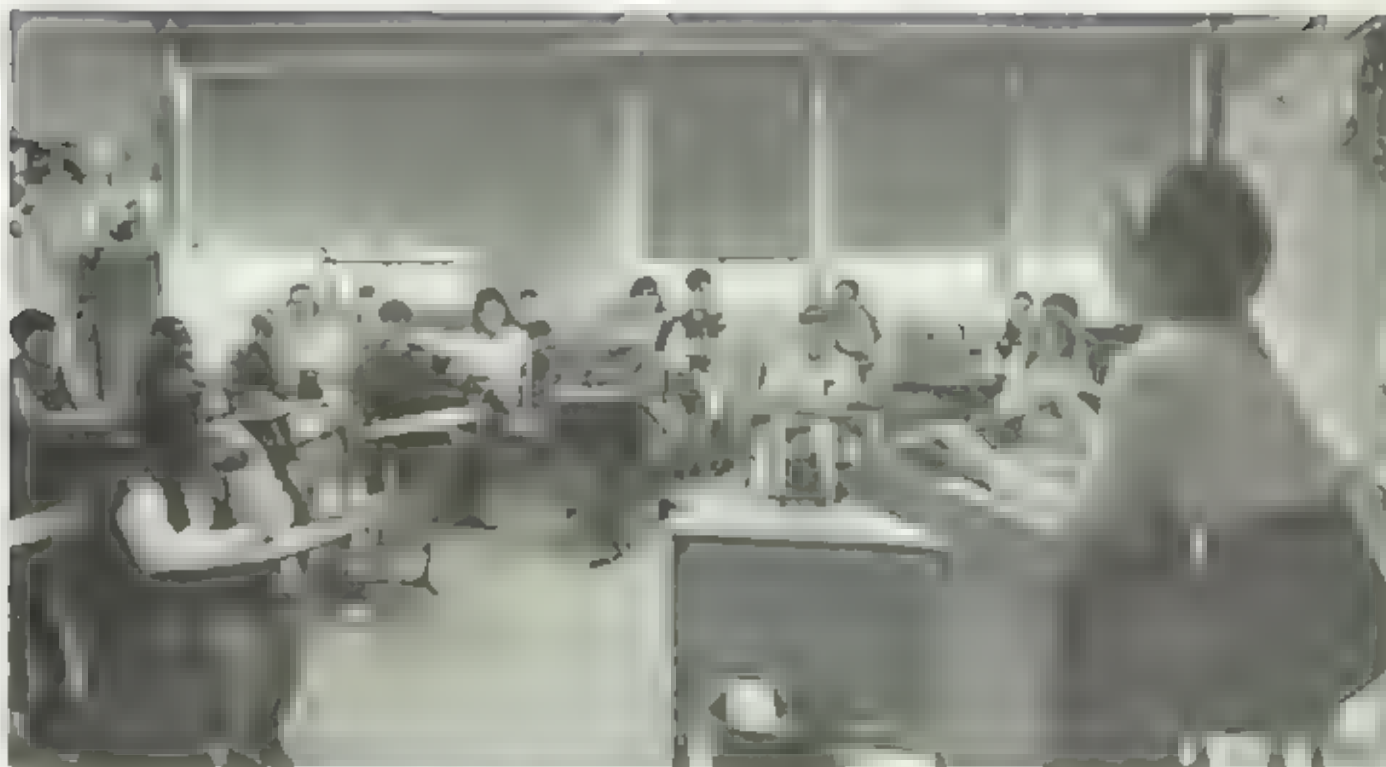

Mike Nillars — *Best Defensive Lineman*

All during football season, a player gets knocked around, stepped on, bruised, crushed, and frequently screamed at by his coach. Yet, when the season ends, the players really don't want it to end. The best part about the end of football season is the banquet. The banquet means maybe winning a trophy. Letters, congratulations, and many compliments are what a player gets at a banquet. Everybody talks about the past season — how good it was — but you know that next season will be better than ever!

Steve Selch — *Most Improved Player*

Exploratory Studies

Miss Strick takes class discussion.

This year, the Exploratory Program was introduced in the Junior High. Its basic purpose is to give students an opportunity to pursue their special interests. During the third and fourth periods, an Exploratory course may be substituted for an hour of Core. Some of the courses offered are; Psychological Phenomena, Creative Writing, Greek Mythology, Speed Reading, Debating, and Dramatics. Spanish and French are also offered. It is hoped that the Exploratory Program will help prepare Junior High students for their years in Senior High.

The latest definition of "mod" is stripes, overalls, and flowing hairdos

What does the tag say? Everyone might have a different guess. Interesting look at kids' stripes, trousers, leggings, side and center, tops, jackets.

"Go placidly amid the noise and the haste and learn what peace there may be in silence . . . Speak your truth quietly and clearly and listen to others, even the dull and ignorant; they, too, have their story. . . . If you compare yourself with others, you may become vain and bitter; for there always will be a greater and lesser person than yourself.

Be yourself. Especially do not feign affection. Neither be cynical about love; for in the face of disenchantment and all aridity it is as perennial as the grass. Take kindly the counsel of the years, gracefully surrendering the things of youth.

Nurture strength of spirit to shield you in sudden misfortune. Do not distress yourself with any imaginings. Many fears are born of fatigue and loneliness.

Be gentle with yourself. You are a child of the universe no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should.

Therefore, be at peace with God, whatever you conceive Him to be. And whatever your labors and aspirations in the noisy confusion of life, keep peace with your soul. With all its sham, drudgery, and broken dreams, it is still a beautiful world."

to say
really sweet
lot of fun and
enjoyed being your
friend and I'm
grateful to ya for
being mine. I reme
when it was you,
me & Larry all the
time now it's y
me a
I rem

time
and ^{me} (Kim & Rudy). I remember
when we were always at
your house and it was
always a "ball" (in more ways
than one). I'm sorry that your
mom hates me now or else
we'd be good good friends
but we still are good friends
cause no one can separate good
friends in the end. Your really
considerate like Saturday on the
phone. And I appreciate it really
I'll never forget our good times
and I hope you won't either
Good luck always
cause you deserve it
Your ya ^{Kim} ^{Rudy}
